

Dec. 8. Night 11.11.11.

Dear Jimmy.

It was nice talking to you tonight and Uncle Cully has just left so I will write to you. I have the Amusement room arranged a little differently and it is so nice down here that dad and I like sitting down here when we want to watch television.

Mary and Mike bought a new davenport so I will have to get over soon to see it. I am going to play bridge with Vera tomorrow so maybe Thursday I can go over to Mary's.

I went to the Podiatrist today because I had an ingrown toe nail. I go to him about every three months and he really fixes my feet up in good shape. Did your sore foot heal up?

I hope this letter from the
Oregon Tax Commission contains
a refund check for you.

Be sure you let me know
when you need money.

I hope you enjoy your
trip to San Francisco and
watch out for all those
terrible drivers.

Love,
Mom.
